introduction to policing the pillar of democracy is an introductory textbook focused on the underlying reasons why policing is conducted the way it is why police officers police the society in the manner they do and finally why law enforcement is perceived and criticized by the public the way it is as indicated in the title the book weaves the themes of democratic principles into the chapters through addressing the basic blocks of fair and professional policing the understanding of democracy from the prism of certain police actions or inactions becomes comprehensible from a very pragmatic perspective other introductory policing textbooks simply concentrate on the functions of policing or on the processes that cause officers to feel the way they do but without explanations of police functions in democratic societies whether democracies are developed or are developing they consistently provide more freedoms for their citizens than others the basic principle of the majority rule which is based on elections that are procedurally and substantively fair is the rule of thumb around which certain themes of this text will be addressed civil rights civil liberties and due process embed many of the operational realities of policing whether one addresses notions such as use of force search and seizure discretion sub culture or intelligence gathering it is always done from the perspective of the need to preserve precisely these themes which are part of the human rights and civil rights concepts which underlie any type of a democratic society the following teaching materials are available electronically multiple choice true false short answer test banks in word txt or pdf format blackboard and moodle formats also available other lms formats may be available specify test bank type in your request test bank also available through respondus two sets of powerpoints are available to adopters set one contains material from the book ideal for online instructors view sample slides here set two is more supplemental less repetition of book material view sample slides here email bhall cap press com for more information

the latest book from cengage learning on an introduction to policing international edition

focusing on the thought provoking contemporary issues that underscore the challenging world of policing

this easy to understand text balances theory research and practice to give students a comprehensive overview of both the foundations of policing and the expanded role of today's police officers the engaging writing style and stories from the field coupled with unique coverage of the issues of policing in multicultural communities the impact of globalization on policing make this book a must have for policing courses

introduction to law enforcement an insider's view 5th edition is a very unique textbook it draws upon the author's dual set of experiences as a member of the academic world and also as a sworn police officer the author dr william g doerner has been a faculty member in the college of criminology and criminal justice at the florida state university one of the premiere programs in the country since 1977 he retired from active duty with the tallahassee police department after 29 years of service as a part time sworn law enforcement officer balancing these two perspectives enables readers to peek into the law enforcement world through the eyes of a cop and the mind of a professor the book is divided into four major units the first part the context of law enforcement helps the reader assemble a picture of how this formal institution came into being recognize some of the more prominent issues that surfaced with this new arrangement assess various reform efforts and understand how agencies are structured the second portion behind the badge explores what it takes to become a police officer topics here range from how agencies select candidates from the applicant pool what recruits experience during the police academy and rookie training phases as well as lessons in criminal law search and seizure and interrogation standards the next segment focuses on how officers work the streets the emphasis here is on the decision making processes that surround the arrest option and reliance upon the use of force the final part trails officers after they complete their tours of duty and are off the streets it raises questions about whether law enforcement is as stressful as some portray it the adjustments officers must make in their personal and occupational lives the perennial question of who polices the police and whether policing is a profession or simply another job the author has compiled a distinguished career in both law enforcement and academia in addition to being decorated for meritorious service and honored by his agency as officer of the year dr doerner also served two terms as the editor of the american journal of criminal justice the southern criminal justice association bestowed its criminal justice educator of the year award on him in recognition of his accomplishments in teaching research and service in addition the american society of victimology selected professor doerner as the recipient of its 2009 john p j dussich award which recognizes excellence in research and the provision of services to crime victims over a substantial length of time an article examining accreditation patterns among florida municipal police agencies published with his son who holds a doctorate in economics recently won accolades for its incisive insights from the editors at policing an international journal of police strategies management

designed to give a general overview of policing in our society with a new chapter added to reflect the increasing emphasis on policing and homeland security

introduction to policing perceptions versus reality provides students with a comprehensive and insightful overview of the policing profession the text combines scholarly research and accounts from the author's

personal experience as a police officer to provide a balanced and authentic look into the everyday realities of the law enforcement profession the opening chapter explores the history and evolution of policing detailing key players and significant eras that have advanced the profession later chapters outline historical and contemporary perceptions of policing including common viewpoints from specific populations and the efforts many organizations have undertaken to rebuild trust and positive perception in the police students learn about the requirements and process for becoming a police officer the basics of law enforcement administration and how police organizations interact with homeland security the text closes with chapters that discuss legal procedures professionalism and future initiatives the revised first edition includes a new chapter titled policing in the 21st century which discusses citizens review boards choke holds no knock warrants the community policing act calls to disband the police and other contemporary developments within the discipline equal parts academic and engaging introduction to policing is an ideal resource for foundational courses in criminal justice law enforcement and policing

this groundbreaking new text by michael rowe is the first genuinely introductory comprehensive textbook on policing introduction to policing has been carefully developed to incorporate all the key areas of a policing course from the history of the police and the legal framework to current debates around issues such as diversity surveillance and the impact of the media the book highlights the way in which theory applies to practice at every step

the police in america provides a comprehensive introduction to the foundations of policing in the united states today descriptive and analytical the text is designed to offer undergraduate students a balanced and up to date overview of who the police are and what they do the problems they face and the many reforms and innovations that have taken place in policing using timely articles and excerpts the authors take readers beyond the headlines and statistics to present a comprehensive and contemporary overview of what it means to be a police officer

teaching introduction to policing provides instructors of introductory policing courses with creative and effective teaching methods to better engage students and guide them to a greater understanding of the united states law enforcement system and its role in the administration of justice the book begins with practical advice for designing a course that will meet both the instructor s needs and those of their students setting the tone on the first day of class and determining effective student learning outcomes in later chapters the text presents diverse teaching and learning methods including adult based problem centered learning the lecture approach instructing large classes and more the text provides specific recommendations for using case studies and exercises in classes to introduce students to the history of policing the nature of patrol criminal investigations the rule of law police accountability civil liability various local and national policing agencies and contemporary issues in the field the book concludes with discussions of how to integrate technology in the classroom how to accurately assess student learning and the many positive and some potentially negative aspects of teaching introductory policing courses in addition five exhibits include samples of a course outline and an examination featuring invaluable insight from the fields of criminal justice and education teaching introduction to policing is designed to provide

novice instructors with enlightening and practical ideas to make the most of the classroom experience for both themselves and their students

who are the police what do they do how do they do their job why do they do it that way this introductory overview of what its like to be a police officer is based on the authors 24 years of experience as a new york city police officer drawing on his experience the author illustrates how being a police officer affects various aspects of personal life including examples from other cities this text has an international emphasis this books unique features include an in depth discussion of policing as it relates to the exclusionary rule and the 4th and 5th amendments
