for decades post independence africa has been marked by conflicts violence and civil wars leading to a displacement of civilian populations and numerous humanitarian crises for example the somali war the 1994 rwandan genocide and the darfur conflict in western sudan illustrate this phenomenon in these situations protecting the basic human rights of security subsistence the liberties of social participation and the physical movement of refugees and internally displaced persons idps particularly women children and young people has been seen as inadequate this book offers the following a systematic presentation of the nature and scope of the crises an evaluative description of the achievements and failures of governments organizations and the international community in responding to the crises a critical analysis of the rationale for such an inadequate response and a philosophical and theological study of basic human rights that seeks to redress

these failures by envisioning an appropriate response and a lasting solution to the conflicts displacement and humanitarian crises in sub saharan africa
